

EXHIBIT THREE

Streamed live on Feb 15, 2019

David Sweigert is a prolific public figure. He makes daily video broadcasts commenting on the current political climate and various aspects of social media and technology. **He is an author of "ethical" hacking manuals and claims to be an expert ethical hacker himself. His ethics and his competence are in question however. Is it possible that a legitimate "ethical" hack, could be an umbrella operation for a more sinister hacker to sneak in right behind Sweigert?** Would he even know if this had occurred. David Hawkins joins me again to explore the likelihood of this possibility.
